NOTIFICATION.

Fort St. George, January 5, 1931.
(G.O. Ms. No. 6, Public).

No. 1.—The following scheme sanctioned by the Government of India in their Army Department letter to the Adjutant General in India, No. B 9093-1 (A.G. 2), dated 1st December 1930, is published :—

SCHEME FOR THE FORMATION OF GURKHA DUTY PLATOONS ON MOBILIZATION.

1. *Recruitment.*—For purposes of recruiting, raising and maintenance of personnel, each duty platoon will be attached to a Gurkha Rifle Regiment.

2. *Registration in peace time.*—When one of the battalions of the regiment is located at the 'home' station, the Officer Commanding that battalion will be responsible for registering the names of ex-Indian officers, non commissioned officers and riflemen for enrolment on mobilization in the duty platoons.

In cases where the Battalion performing the duties of registration is vacating the home station without being relieved by the other Battalion of the regiment the Officer Commanding will before leaving, hand over the registration duties documents, etc., to the senior of the Officers commanding training companies. In cases where both battalions of a regiment are located together at the 'home' station, the senior Officer Commanding will decide as to who will perform the registration duties. No payment will be made on registration and no retaining fee will be admissible. Special forms for use on registration (I.A.F., F 942) and for calling up men on mobilization (I.A.F., F. 941-A) have been introduced and will be supplied on indent to registration officers.

3. *Procedure on mobilization.*—On general mobilization, the Registration officers (as detailed in paragraph 2) will immediately call up men registered by them for employment with duty platoons, up to the numbers authorized (*vide* W.E. India, Vol. IV) including 10 per cent extra for casualties, etc.

4. *Eligibility.*—All Gurkha ex officers and Gurkha ex-soldiers, including ex-reservists, whether discharged or pensioned, will be eligible for recruitment in duty platoons, provided that they bear a good character, are medically fit for service in India, and are permanently resident out of Nepal. *Officers and men (except ex-reservists and pensioners) who are medically fit for service in the field will not be accepted, as this might affect detrimentally recruitment for the fighting services.*

5. *Terms of service.*—(a) Gurkha ex-officers will be re-employed in the permanent rank held by them on retirement. They will, however, be employed, with due consideration to their rank and seniority, in the duties for which they are considered suitable by the Officer Commanding, Gurkha Regimental Centre, to which they are attached. They will be entitled to the pay and allowances of the appointment held (within the ranks and numbers authorized in the war establishment of a duty platoon) as drawn by incumbents of similar appointments in permanent units.

Gurkha ex-non-commissioned officers and men will be re-employed in the ranks and appointments

considered most appropriate to their previous rank and to their qualifications at the time of re-employment.

(*b*) Service will be for the period of the war (or emergency) and 12 months thereafter provided that their services are so long required.

(*c*) Enrolment and attestation will be on I.A.F. X. 1164. Attestation will be carried out immediately on enrolment.

(*d*) Promotion in and to commissioned and non commissioned rank may be made as required to complete establishment.

6. *Pay and Allowances.*—(*a*) Whilst actually employed, officers and other ranks of Gurkha duty platoons will be entitled to emoluments as follows:—

(i) Pay of rank and appointment at Indian infantry rates.

(ii) *Plus* pension already earned.

(iii) *Plus* good service, good conduct or proficiency pay—(*a*) During service in the rank of rifleman, proficiency pay at the rate to which entitled immediately prior to discharge. (*b*) On promotion to non commissioned rank, proficiency or the good conduct pay to which the soldier's character and service on the active list, viewed as that of a rifleman, would entitle him whichever is more favourable.

(*b*) Service with duty platoons will count as qualifying service for pension in case where a pension has not already been earned, but in no case will such service be permitted to count towards any increased rate of pension where pension has already been earned.

(*c*) Clerks will receive grade pay as admissible to third grade clerks.

(*d*) The following allowances will be admissible for each duty platoon:—

(i) An initial grant of Rs. 30 to cover the cost of purchase of books and stationery.

(ii) A monthly allowance of Rs. 15.

These allowances will be drawn under the following conditions:—

(*a*) The initial grant when each platoon is started.

(*b*) Half the monthly allowance when half the number, and the full allowance when the full number, of men have been enrolled in the platoon.

7. *Rations.*—Free rations, while employed, will be admissible as for the Indian Army, *viz.* scales of Rations and Supplies issued by the Indian Army Service Corps.

8. *Passages.*—Free passages by rail, road, river and sea from their place of residence to the Regimental Home Station (or to the nearest military station and thence on to the Home station) will be granted. Similarly free passages will be granted on discharge or demobilisation. Families will not be permitted to accompany men enrolling for duty platoons.

9. *Furlough and leave.*—Casual leave only will be admissible during the first year's service in duty platoons, after which two months' leave and two months' furlough may be granted in alternate years at the discretion of the Officer Commanding, Regimental Centre, provided the exigencies of the service so permit.

On demobilisation, one month's leave on full duty pay will be granted.

10. *Followers.*—Will be engaged as class II followers at the lowest rates of pay at which they are obtainable locally [Army Instruction (India), No 287 of 1922].

11. *Equipment and Clothing.*—No clothing allowance will be admissible. Clothing and equipment will be issued on the scales laid down in Equipment tables and will remain the property of Government.

12. *Periodical verification.*—The verification of addresses of Gurkha ex soldiers will be carried out through the medium of the civil officers concerned.

that centre must be prepared to proceed, at their own expense, to the nearest centre where the examination may be held. Timely notice will be given to the candidates concerned.

¶ 2. *If a candidate who belongs to one Indian State selects a centre in another Indian State, he should submit his application for admission to the examination through the educational authorities of the State to which the centre selected belongs, so that they may have an opportunity of disallowing the selected centre and directing the candidate to select a centre in the State of which he is a resident. When objection is not taken, candidates may conclude that their names will be registered for examination at the centres mentioned by them in their applications.*

2. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and no candidate will be allowed to name more than one centre. No candidate will on any account be allowed to change the place of examination entered in his application, *which must invariably be the place where he is employed or ordinarily resides or should it not be a centre, the place nearest to it where the examination is held.* A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination annulled.

Applications for the inclusion of such place or places in the list of centres should be made to the Commissioner through the local educational or other authorities concerned before the 15th January. Ordinarily, however, only one place will be constituted a centre for each district.

5. Candidates whose examinations, either Written or Oral and Practical, cannot be arranged for at any place must, *at their own expense*, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

III. SCALE OF FEES, WHEN AND WHERE TO BE REMITTED BY CANDIDATES.

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

2. Candidates who have passed in the Second Class in any subject and grade may come up to qualify for the First Class in that subject and grade on paying the full examination fee.

3. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras into the Imperial Bank of India, and the receipt (supplied to candidates along with forms of application) given by the Treasury Officer or the Imperial Bank of India attached to the application, which must in every case reach the Commissioner's office *on or before the 31st January.* **Applications for admission to the examination submitted after the prescribed date will be entertained only on payment of a penal fee of one rupee each and no such applications will be entertained after the lapse of fifteen days from the prescribed date.**

On no account will the fees be received in the Commissioner's office whether sent in cash or by Post Office orders. Neither M.O. coupon nor any temporary receipt that may have been granted, can be accepted. It is therefore incumbent upon the candidate to obtain a receipt from the Treasury officer to whom the amount was sent and forward the receipt so obtained to this office at once, care being taken to see that this receipt also reaches the office by the date prescribed for the submission of applications. No application will be registered unless it reaches the Commissioner's office by the date prescribed.

4. *The fee paid will, in no case whatsoever, be refunded nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the Notification carefully and satisfy themselves, before remitting their fees, that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed, at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written or the Oral and Practical Examinations.*

IV. APPLICATION FORMS—PROCURING OF—FILLING IN AND THE SUBMISSION OF APPLICATIONS, ON OR BEFORE THE 31st JANUARY.

Note.—Women candidates should write the letter 'W' in brackets against their names in column 1 of their applications.

5. Only one centre ought to be selected by each candidate, although he may offer several subjects for examination and come up for different grades. The centre selected must invariably be the place where he is employed or ordinarily resides.

All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications) by the head of that institution, no application of any *private* candidates being enclosed with these applications.

6. Every application should contain satisfactory proof of the applicant's general educational attainments by reason of which he is eligible to appear for the examinations in the subjects and for the grades in them brought up by him.

Note.—(1) (a) In the case of those candidates who have completed the Secondary School-Leaving Certificates, full particulars with regard to the name of school, the year when and the serial number of the certificate and

(b) in the case of those who have passed the Matriculation or F.A. or Intermediate in Arts, or B.A. Degree Examinations, full particulars with regard to the date and page of the *Fort St. George Gazette* announcing their success in the examinations, as the case may be, should be correctly furnished in the columns provided for the purpose in the prescribed application form for admission to the Government Technical Examinations.

(c) in the case of those who do not come under (a) or (b) supra should take care to see that the certificate either at A or B on the back of the application form is submitted with the entries duly made in it and certified accordingly by the authorities concerned, and

(d) in the case of those who come under the category at (c) supra and whose general educational qualification is lower than that prescribed under Article 5 of the Notification regulating the Government Technical Examinations, should submit also a certificate from a competent person, that is, from one who has passed the Advanced or the Higher grade examination in the subject for which the candidates are applying.

(2) Candidates who do not possess the required general educational qualifications but once appeared and failed in a particular subject and grade, as were once permitted by the Commissioner to come up for a particular subject and for a particular grade will be admitted, provided that they are appearing in the same subject and for the same grade and that in the former case, they quote in their application for admission to the examinations, the year when they failed and the centre at which they appeared and in the latter case the number and order of the Commissioner granting them the permission.

7. The subject the applicant desires to be examined in should be specified exactly as it is described in the Notification regulating the Government Technical Examinations or as they are described here in this notice under the heading "1. Subjects and grade of Examinations."

8. *The occupation or profession of candidates, or the appointments held by them and their addresses should invariably be stated in full in column 10 of their applications.*

Note.—Candidates should particularly see that they do not fail to sign and date their applications at the columns provided for the purpose.

9. Heads of institutions are requested to see, before the certificate at the foot of the application form is signed by them, that their institution has been recognized by the Director of Public Instruction, Madras, or by the Director of Industries, Madras, as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their *pupils* and that they quote in the applications the number and date of the proceedings of the authority that accorded such recognition.

N.B.—Heads of institutions recognized for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical Examinations.

Note.—(1) Candidates are particularly requested to note carefully the footnotes printed under the headings (1. Subjects and Grade of Examinations and II Centres of Examinations), when they fill in the application forms and such particulars as are necessary must invariably be noted by them in their applications in non-printed forms.

(2) Applications defective in any of the particulars will be returned.

10. In submitting an application for admission to any examination the candidate will be deemed to have given an undertaking that he will abide by all the rules now in force or those to be brought into effect hereafter in respect of that examination, including the following :—**No revaluation of answer papers is permissible.**

11. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, *the receipt for the fee paid being securely fastened to it* :—

2. Only such holders of completed Secondary School-Leaving Certificates may be admitted to University courses of study and registered as matriculates under section 1 of Chapter XXIX (Andhra University Code) as (a) have completed not less than 15 years of age on the first day of the month in which the examination qualifying for such certificates is held unless specially exempted from the operation of this age-limit, and (b) have been declared eligible for such admission, by the Syndicate.

3. A complete list of certificate holders declared eligible for admission to University courses of study will be published annually in the *Fort St. George Gazette*, and a copy of the list will be furnished to the Principals of affiliated colleges. A certificate-holder not included in one of these lists will not be entitled to registration as a matriculate under section 1 of Chapter XXIX mentioned above except as provided in paragraph 6 below.

4. (a) All S.S.L.C. holders whose certificates are issued under the authority of the Government of Madras will be declared eligible for admission to University courses of study who qualify under the following rules :—

(i) They should have presented at one time for the S.S.L.C. Examination (a) all the five subjects in Group A subject to the condition that students who have been specifically exempted by the Director of Public Instruction from the study of the Vernacular Composition and Translation need not sit for the Examination in that subject, and (b) one subject under Group C.

(ii) Those who secure at the Public Examination not less than 35 marks in each of the "A" Group subjects.

(iii) Those who secure not less than 45 marks in English, not less than 35 marks in the selected Second Language, and not less than 105 marks in the remaining three subjects of Group A taken together, with at least 25 marks in each of these three subjects, provided they secure not less than 185 marks in the aggregate.

(b) The Principals of Affiliated Colleges will be permitted to admit for Mathematics in the Intermediate course only such eligible candidates as have presented Algebra and Geometry under Group C of the S.S.L.C. Examination, and have secured not less than 210 marks in the aggregate.

(c) In the case of a Secondary School-Leaving Certificate holder who has been exempted the study of a Second Language, the total marks required for the purpose of the application of the above rules will be reduced correspondingly.

(d) Notwithstanding anything contained in the foregoing rules, a certificate-holder who obtains in the aggregate not less than 60 per cent of the total marks (i.e., 240 in 4 subjects, 300 in 5 or 360 in 6 as the case may be) will be declared eligible for admission to University courses of study though he may fail to obtain qualifying marks in one or more subjects.

7. Certificates once scrutinized, the holders of which were found ineligible under the rules in force at the time of scrutiny, will not be reconsidered.

8. Notwithstanding anything contained in the foregoing rules, the Principals of colleges will be permitted to make admission at their discretion of women holders of Secondary School Leaving Certificates whether the names of such holders of certificates are included in the published list of certificate-holders eligible for admission to University courses of study or not provided such students appeared for the qualifying Secondary School Leaving Certificate Examination after completing a course of instruction in the sixth form in one of the schools in the University area of affiliation. Certificate holders so admitted to colleges will be registered as matriculates under section 1 of Chapter XXIX.

The lists published annually in the *Fort St. George Gazette* will contain the names of all certificate-holders, except those whose cases may be considered under the preceding section, found to be eligible for admission to University courses of study in affiliated Colleges, under the rules and directions issued from time to time. It is, however, to be clearly understood that inclusion in the list confers on no certificate holder the right of admission to any affiliated College. The principals of Colleges are not only at liberty to restrict admission to such applicants as they may select but are further required to confine admission to such eligible certificate holders as, judged by their certificates, may

be expected to profit by the particular course of study upon which they propose to enter in the college selected.

2 Successful bidders or tenderers will be required to enter into stamped agreements with the jail within seven days from the date of receipt of information by them that their rates have been accepted. In addition, they should, before signing such agreements, deposit a security of 10 per cent of the total value of supplies undertaken. (With the approval of the Inspector General of Prisons, the total amount may be reduced in the case of approved contractors.) Failing compliance within the time specified, the earnest money may be confiscated, and in the event of withdrawal they will also be liable to pay any difference between the prices accepted and those ultimately obtained by the jail. 3. The Superintendent reserves the right to accept or reject any bid or tender without assigning any reason.

4. Contract should not be sublet.

5. Any rates accepted and contracts entered into will be subject to confirmation by the Inspector-General of Prisons, Ootacamund, whose decision shall also be final in all questions of infringement.

6. As the quantities given against each article in the schedule are only approximate, the contractors will be under an obligation to supply the entire requirements during the period of contract, plus so much as may be needed to last for a whole month thereafter, provided, in respect of the extra quantities, that written orders are given within a fortnight of the termination of the agreement. At the same time, the Superintendent does not bind himself to receive the quantities or numbers noted in the schedule if they are not required.

Contractors must submit to receive payments on their bills in whole rupees to which end annas forming part of the sums due on each bill will be disregarded, unless they constitute a fraction equivalent to half-rupee or more, when they will be treated as a whole rupee for the purpose of the account.

Questions in connexion with any supposed short payment may be referred to the Superintendent separately, but are not to be made an excuse for delay or refusal to sign.

11. In addition to any difference in prices that may be recoverable from contractors on account of purchase rendered necessary elsewhere by failure or refusal on their part to supply according to the terms of their agreements, a fine not exceeding Rs. 50 may be levied at the discretion of the Superintendent for each and every such case of default. For repeated infringement of the stipulations of the contract or for other justifiable reasons, he may also annul it, recovering all losses sustainable by the jail in consequence of the annulment from the security deposited by the contractors, or other moneys due to them, and in the event of any residue, by legal measures, if so advised.

12. All wastage found to occur in excess of the respective percentages in the schedule will have to be made good by the contractors.

5. In case of dispute during the time of sale the selling officer's decision shall be final. If, for any reason, the highest bid is rejected the next highest bid shall be taken or the farm resold at his discretion.

6. The successful bidder must, on the result of the sale being declared by the officer conducting the sale, deposit in cash or Government pro-notes endorsed to the Executive Engineer, West Coast division, a further sum which inclusive of the amount of Rs. 100 deposited prior to the sale will make up one-tenth of the total amount of his bid. Should he fail to do so, the deposit made by him under clause 2 will be forfeited and the farm will be put up for sale again immediately by the selling officer on the above conditions or otherwise disposed of by the Executive Engineer and the defaulter will be debarred from bidding again for the sale.

7. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recovered from the defaulter. Should the forfeited deposits be greater than the loss by the resale, the whole of such deposit will be credited to the Public Works Department. The resale will be at the risk of the defaulter who will forfeit all gain and in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale.

2. Successful bidders will be allowed to open their shops only in unobjectionable sites within the limits specified above and at a distance of not less than 100 yards from one another.

Bill No. 1 of 1931.—The East and West Tanjore Sessions Divisions (Validation) Bill .. Page 1

Bill to be introduced in the Council of the Governor of Fort St. George assembled for the purpose of making Laws and Regulations.

Under rule 18 of the Madras Legislative Council Rules the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

BILL No. I OF 1931.

A Bill to validate the constitution of the Sessions divisions of East and West Tanjore.

WHEREAS by the notification of the Local Government in the Law (General) Department, No. 175, dated the 22nd day of June 1921, the Governor in Council was pleased to direct that, with effect from the 1st day of September 1921, the Sessions division of Tanjore should be styled as the Sessions division of West Tanjore consisting of the revenue taluks of Kumbakonam, Papanasam, Tanjore, Mannargudi, Pattukkottai and Arantangi of the collectorate or revenue district of Tanjore;

AND WHEREAS by the notification of the Local Government in the Law (General) Department, No 177, dated the 22nd day of June 1921, the Governor in Council was pleased to add to the number of Sessions divisions in the province by establishing, with effect from the 1st day of September 1921, a new Sessions division styled as the Sessions

division of East Tanjore, consisting of the revenue taluks of Shiyali, Mayavaram, Nannilam, Negapatam and Tiruttaraippundi of the collectorate or revenue district of Tanjore;

AND WHEREAS doubts have been raised as to the validity of the constitution of the said two Sessions divisions in the revenue district of Tanjore;

AND WHEREAS it is expedient to remove those doubts and validate the constitution of the said Sessions divisions and the proceedings of the Courts of Session thereof;

AND WHEREAS the previous sanction of the Governor General has been obtained to the passing of this Act;

It is hereby enacted as follows:—

Short title.

1. This Act may be called the East and West Tanjore Sessions Divisions (Validation) Act, 1931.

Commencement.

2. This Act shall be deemed to have had effect on and from the 1st day of September 1921.

Validation of the constitution of the Sessions divisions of East and West Tanjore and of the proceedings of the Courts of Session thereof.

3. Notwithstanding anything contained in sub-section (1) of section 7 of the Code of Criminal Procedure, 1898, the Sessions division of East Tanjore and the Sessions division of West Tanjore in the revenue district of Tanjore and the courts of sessions established for each one of the said sessions divisions shall be deemed to have been and to be validly constituted and no proceeding of the Courts of Session of the said Sessions divisions shall be questioned merely on the ground that the limits of neither of the said sessions divisions were or are contravenuous with the limits of a district. V of 1898.

STATEMENT OF OBJECTS AND REASONS.

Consequent on the increase in criminal litigation, the revenue district of Tanjore was constituted into two Sessions divisions styled East Tanjore and West Tanjore with a Court of Session for each division with effect from the 1st day of September 1921. The two Sessions divisions and the Sessions Courts have continued ever since. Under sub-section (1) of section 7 of the Code of Criminal Procedure, 1898, a Sessions division should consist of a district or districts and not of a part of a district. Doubts have, therefore, been raised as to the validity of the constitution of the two Sessions divisions of East Tanjore and West Tanjore. This Bill is intended to remove such doubts and to validate the constitution of the said two Sessions divisions and the proceedings of the Courts of Sessions thereof.
